# Here To Stay Financials

Year 1 Fundraising Goal : \$750,000

In 2022, we saw 514,567.77 given directly to the renovations at 220 E. Solomon St. Of the amount raised, \$101,000 has been spent on architectural documents, plans, and immediate renovations needed. The remainder has been placed in savings noted to building renovations.

# Looking into 2023

We are thankful for the sacrificial generosity of so many that allowed the mission and movement of Jesus through City Church to happen. As we look ahead to 2023, we will continue practice the budgeting principle that we have in past years and base the coming year's budget off of 90% of in the income of the previous year. This year has brought some welcomed surprises including the purchase of our future home in downtown Griffin. As we raise funds to pay for the renovations of this project we will place what is raised into our savings to both protect and steward it well.
